How Does Our Program Work?

The total cost to join our program is just \$175. You will make **(2) \$75 money orders** payable to each member in each position on the Enrollment Form as a gift. Then you will make **(1) \$25 money order** payable to CREC (*This \$25 covers the costs of processing your Enrollment Form and on-going monitoring fees*).

This is a very small price to pay, considering how much you could receive. From this point on, it's all about DUPLICATION! Just continue reading, it's going to get very exciting!

You will then mail your Enrollment Form along with the **(3) money orders to CREC**. Within 7 to 10 business days, you will receive a welcome packet with your own camera-ready copy of this 3-page circulars with your name and ID# personalized in Position #1 on the Enrollment Form.

When you begin mailing copies of your circulars to others, every time you personally enroll a new member, you will receive a **\$75 money order gift**. You will now be moved to Position #2 on the Enrollment Form of their circulars. Every time your personally sponsored members enroll a new member, you will receive another **\$75 money order gift**.

EXAMPLES:

You personally enrolled just 10 new members per month...
YOU'LL RECEIVE \$750 PER MONTH!

*If those 10 members each enrolled just 5 new members per month
(That's a total of only 50 members)...*
YOU'LL RECEIVE \$3,750 PER MONTH!

With Our Program, There Is...

NO Personal Selling!

NO Cold Calling!

NO Explaining!

**NO Need to Talk to One
Single Person!**

Instead of 10 personally enrolled new members, just imagine how many more \$75 money order gifts you could receive if you personally enrolled... 20 or even 30 new members?

Now, Here's Where the Second Part of Our Program Gets Really Exciting!

The second part of the program is what separates our program from other gifting programs. For every new member that you have personally enrolled into the program, 60 days from the time that they have joined, you will receive the resend of the \$75 money order gift. YES... you heard correctly! This concept is what will create RESIDUAL CASH FLOW for you.

Also included in the welcome packet of each member that joins our program will be (6) Gift Resend Forms. Each of these (6) Gift Resend Forms will have due dates on them indicating each member when to resend in their (2) \$75 money order gifts plus the \$25 processing fee. Each member will resend in their (2) \$75 money order gifts to the members of the original Enrollment Form that they have enrolled from... EVERY 60 DAYS.

The Gifts Resend Works Like This... Here is an Example:

Let's say from the beginning of January to the end of February, you have personally enrolled 20 new members from your mailings (*That's only 10 new members a month*). You will receive a total of \$1,500 in money order gifts. Then 60 days from January and February, you will receive the resend of \$1,500 in money order gifts from those same 20 members. Now listen carefully... not only will you receive the resend of the \$75 money order gift from everyone that you have personally enrolled, but this concept also applies for the members that your personals have enrolled also.

So, With That Being Said...

if your 20 personally sponsored members have enrolled just 5 new members (Giving you a total of 100 members in your group), you will receive a total of \$7,500 in money order gifts and then the next 60 days, you will get the resend of \$7,500 total in money order gift. This brings your total to \$9,000 in money order gifts every 60 days.

Are You Now Starting to See How Powerful and Financially Rewarding Our Program Is?

Now, instead of just 5 new members that your personals have enrolled... imagine how many more \$75 money order gifts you could receive every 60 days if your personals have personally enrolled 10, 15 or even 20 new members. Just do the math... the possibilities are unlimited of how much you can earn.

What is Gifting?

Gifting is simply the private sharing of gifts between people who believe in the universal law of giving: "Give, and it will be given to you". Gifting is just exactly what the name implies... the giving of unconditional gifts to another. Individuals simply exercise their constitutional right to seek out and associate with like-minded individuals who support each other and help change lives. Gifting programs provide one of the FASTEST and SIMPLEST means for the average person to solve many of their financial problems. It requires just a few individuals to accomplish what would take THOUSANDS of people to accomplish in the typical Network Marketing business opportunity and in a lot less time. As with any activity... you get back what you put in!

American citizens have the constitutional right to gift property, cash and other assets, and are subject to the rules and regulations established by the law. According to the IRS Tax Code, the law states that any individual can give a gift of up to \$15,000 per year to another individual without any tax liability to the giver or receiver of the gift.

Since each individual member that joins our program will be sending the maximum amount of only \$450 in total money order gifts, per year to that same individual, we are well within this law.
